

King or Queen of the Court

ACTIVITY SHEET 011

Objectives: Emotion management, being ready at the right moment.

Number of players: 3 players

Equipment: Everything necessary to play a match

Set up:

No preparation necessary.

Procedure

- 2 players play an end. The one who plays first is decided by a draw. The 3rd player watches the progress of the end from the sidelines.
- The player who loses the end gives up their place to the 3rd player who was on the sidelines. The winner starts the next end with the jack.
- Play several ends following the principle used in the previous point.
Note: If the winning player remains the same for several consecutive ends, it is recommended to make an exception and change them to allow everyone to play against each other.
